

Zach Burdett

User Experience Designer

ABOUT

Hi! I'm Zach, a user experience designer who focuses on turning complex ideas into elegant and usable designs.

EXPERIENCE

Marketing and Branding Associate

Rush Machinery

Rushville, NY | July 2015 - Present

Through website management and brand development, I am helping to improve the online user experience and further advance Rush Machinery's web presence.

Supervisor and Communications Manager

Ludwig's Center Stage Cafe

Rochester, NY | July 2014 - Present

In the kitchen, behind the register, and locking up at night, I help employees and customers alike with anything from updating our website and fixing missed clock-outs to getting extra Thousand Island dressing on a turkey melt.

Gallery Attendant

Martha's Vineyard Glassworks

West Tisbury, MA | May 2017 - August 2017

While the owners of the studio blew glass behind me, I educated customers about the beautiful art of glassblowing and helped them find the right piece for their home.

Visual Design Intern

City of Rochester, Communications Bureau

Rochester, NY | June 2016 - August 2016

Under the Creative Director in City Hall, I worked on a variety of visual design projects that both rejuvenated the look of outdated literature and brought a fresh set of eyes to the city's new design endeavors.
