EXPERIENCE

City of Rochester, Communications Bureau
Visual Design Intern
Rochester, NY | June 2016 - August 2016
Under the Creative Director in City Hall, I worked on a variety of visual design projects that both rejuvenated the look of outdated literature and brought a fresh set of eyes to the City's new design endeavors.

Martha's Vineyard Glassworks
Gallery Attendant
West Tisbury, MA | May 2017 - August 2017
While the owners of the studio blew glass behind me, I educated customers about the beautiful art of glassblowing and helped them find just the right piece for their home.

Ludwig's Center Stage Cafe
Supervisor and Communications Manager
Rochester, NY | July 2014 - Present
In the kitchen, behind the register, and locking up at night, I help employees and customers alike with anything from updating our website and fixing missed clock-outs to getting extra Thousand Island dressing on a turkey melt.
